

Mission:

"Love Thy Neighbors"

Angels on Wheels Charity Organization is a newly formed 501(c)(3) Non-Profit Organization. The **Angels** are on a mission to provide resources and support to those in need, improving the lives of our neighbors while filling gaps within our communities.

Our Vision

It's our vision to build better communities by changing the lives of our neighbors who are at risk of becoming homeless, homeles, hungry or those in need.

MOBILE DELIVERY SUPPORT

Our Delivery Support – We are in the community bringing resources such as food (boxed and cooked) donated clothing, shoes, and socks, backpacks for the children, school supplies, coats, hard to get underwear, diapers, baby formula, personal hygiene items and hard to get necessities to those in need.

Mass Care Operations: Includes rides to the shelter, feeding operations, bulk distribution of emergency items, and collecting and providing information. The Mobile Transportation Team may also be asked to dispatch across the city to canvass for homeless clients and transport to shelters and other places.

Emergency Assistance: Assistance required by the city to assist with feeding survivors and first responders and assist with clean ups.
